#### 3. Terms of delivery: Incoterms 2010

Incoterms 2010 will be valid for the interpretation of the terms of delivery.

#### 4. Delivery note

The original delivery note needs to be assigned to the waybill. A copy of the delivery note must be put in a shipping document pouch and has to be fixed on the front side of the package respectively on the pallet.

#### 5. Invoices

Invoices had to be sent in duplicate by separate mail. The duplicate has to be marked as copy. Do not enclose invoices to the package in any case.

#### 5. Packaging:

On every outer package the following additional information has to be printed or labeled on visibly: RWM-material no., RWM name of item, item quantity, batch no. and the gross weight.

It is not allowed to exceed the following dimensions:

The dimension of the Euro-pallet, the max. weight of 1.000 kg (2.204 lbs), as well as the max. weight of 18 kg (lbs) of a cardboard box and the max. height of 1,60m (63in) for a pallet.

Exceedings have to be agreed by the consignee in advance.

If the packaging is a returnable packaging of the purchaser, the dispatch labels need to be fixed in a way that a removing of the labels did not cause any damage of the returnable packing.
